**WSE11** sunlounger  
designed by jacob pringiers 2012

Popular around swimming pools all over the world the sunlounger is a day bed with reclinable back rest from a 45 degree position to read a book, or a full flat bed to enjoy the relaxing sun. As an outdoor piece the WSE11 sports a more dynamic line with its inclined back legs and stable stance its ready for outdoor action! A solid teak frame and wheels finished in a clear protection top coat. Connected seat/backrest cushion in high density foam upholstered in a removable Sunbrella fabric (various colours available upon request).
